

This program is being presented as part of the Arc's School to Community Project

Achieve with us.

LIFE AFTER HIGH SCHOOL FOR STUDENTS WITH DISABILITIES:

A NEW WAY OF THINKING ABOUT EMPLOYMENT

featuring: Dr. LAURA OWENS

Associate professor at UW Milwaukee, Department of Exceptional Education

Wednesday, October 19, 2011

5:30-7:30 P.M. (light supper will be served)

Gateway Technical College Racine Campus,
Conference Center, Parking Lot D, Michigan Room
Enter in back off Pershing Drive.

Dr. Owens will speak about Employment First and High Expectations around employment of people with disabilities. She teaches courses to middle and high school educators in curricular accommodations, career and transition from school to adult life. After seeing students graduate into a world of limited or nonexistent employment opportunities, she founded Creative Employment Opportunities, an employment agency for individuals with disabilities.

Laura Owens Program: \$20.00/Professionals; \$10.00 parents. (Scholarships available) The fee includes a light supper and materials. Send registration form and check payable to The Arc of Racine, 1220 Mound Avenue, Racine, WI 53404 **Call 262 634-6303 for more information.**
